

Some **VERY IMPORTANT** guidelines for what food is suitable and what, unfortunately, cannot be accepted.

We CANNOT accept:

- Anything past its “USE BY” date
- Leaking or unsealed products
- Items without intact original labelling showing use by dates, product info, etc.
- Food with visible mould or contamination
- Food that is damaged or perished to an extent that affects its reasonable use
- Dry goods more than 3 months past the “BEST BEFORE” date

We CAN accept:

- Items up to 5 days before the “USE BY” date
- Dry goods up to 3 months after the “BEST BEFORE” date (providing it has been well stored and is still fit for consumption)
- Items that have their packaging intact and remain sealed (unopened goods)
- Battered and dented tins, torn labels, etc – provided it remains sealed and has a visible ‘USE BY’ date
