Classical Piano Recital held last Sunday was a triumph for the seven dedicated young pianists who each spend hours every day practising to attain the highest possible level of mastery of the keyboard. Performances varied from merely excellent to absolute brilliance! Public performance on a quality acoustic instrument is vital for those aiming at a career as a professional musician. It is the mission of the Music Ministry to encourage and to serve as a conduit between lessons and the concert platform. Thank you to Wilma Rivers who collected the donations (\$300, which will nearly cover the piano tuning) and handed out programmes, and to the team of several strong men who helped move the furniture and the Yamaha. A word on the WORD

Matthew 10:40-42

Jesus' words connect our relationships with others to our relationship with God. We welcome and encounter God in encountering the other. Our acts of comfort and kindness, especially toward the vulnerable, touch the very heart of God, and transform our own lives. We are blessed in our generosity and receive the reward of nearness to our Parent and Creator.

Whoever welcomes a prophet in the name of a prophet will receive a prophet’s reward; and whoever welcomes a righteous person in the name of a righteous person will receive the reward of the righteous; and whoever gives even a cup of cold water to one of these little ones in the name of a disciple—truly I tell you, none of these will lose their reward.
