Our Mission

To Participate in and Grow the Mission of God at Willetton by:

- Sharing the love of God and
- Telling people about Jesus
- Our Vision
- God's Love and Hope in Action

Bible Reading: Luke 2:8-21.

A young child is full of potentials. She reminds us of the time when the world and our life are full of possibilities. The birth of baby Jesus also represents that kind of hope, which is encapsulated in the proclamation of the angels to the shepherds in our reading: "I am bringing you good news of great joy for all the people...." (Luke 2:10 NRSV) Christmas is thus an invitation for us to discover our 'inner-hopefulness'; to see our life as full of potentials once again; to see the world with a new kind of naivety; to marvel at everything and everyone. The great physicist, Albert Einstein, once said, "There are only two ways to live your life. One is though *nothing* is a miracle. The other is though *everything* is a miracle." Viktor Frankl, the great Austrian psychiatrist, would have agreed with Einstein because he once said, "Life holds a potential meaning under any conditions, even the most miserable ones."

For there is born to you this day in the city of David a Savior, who is Christ the Lord.

Luke 2:11 NKJ

So then, just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.

- Colossians 2:6-7 -

And Jesus grew in wisdom and stature, and in favor with God and men.
