God's Love and Hope in Action

Bible Reading: Isaiah 6:1-8, Luke 5:1-11, 1 Corinthians 15:3-11

Great Biblical leaders were not ready-made leaders. At the start, they presented themselves as people with humble beginnings or even questionable characters! At first glance, they were the people that would often be considered last in a search for talent. Yet, God saw beyond their apparent flaws and weaknesses and vulnerabilities; and God transformed them into formidable forces who worked for God's Kingdom.

If we liken these leaders to the items in the op-shop, God saw beyond their lackluster 'self appeals' to their real value. Indeed, friends, God does not look for perfect people who are beyond reproach; God looks for people with obvious flaws and weaknesses and vulnerabilities, yet who are willing to commit their life to their calling. Amen. **(Rev. Toby Keva)**

Prayer for the week from 9 February 2025

Remote Area Ministry Tom Price
Also pray for the people who lost their homes,
Townsville and the surrounding areas in
Queensland.

The sound of their voices made the foundation of the Temple shake, & the Temple itself was filled with smoke.
